**Subject:** Technical error to Greek reserve ECMT licences

Dear Sirs,

The Directorate for Freight Transport of the Ministry of Infrastructure Transport and Networks of Greece would like to inform the Secretariat and the Member countries that due to a technical error the reserve licences GR10001-GR10005, issued by our Ministry in 2014, are accompanied by the logbooks numbered GR00091 – GR00095.

We would like to ask member countries to treat this case with leniency during the border or en- route checks, exceptionally.

**Triantafyllos Papatriantafyllou**

**Director for Freight Transport**
